

September 2021

To our patients:

The last 18 months have been difficult and we have all seen changes in our personal and professional lives that we did not expect due to the COVID-19 pandemic. Our practice is no exception and we have worked hard to maintain a high level of care for our patients and their families. Due to a strategic decision by Northwest Community Hospital, the building which houses our Schaumburg office at 455 South Roselle Road will be taken over for hospital use. Beginning November 1<sup>st</sup>, 2021, Northwest Suburban Pediatrics will exclusively be operating out of our Arlington Heights office at 3335 North Arlington Heights Road, Suites C & D.

We realize that change can be difficult, but we hope to make the transition as smooth as possible for you. Our office will continue to provide the best care possible and accept the same insurance plans. Our staff will be there to help, and we have included all the details regarding our Arlington Heights location, including address, phone number and website in the box highlighted below. As a result of this office consolidation, there will be no changes to our current staffing levels, and we will continue to offer the same number of appointments each week. Our office hours will be updated on the website. If you have any questions or concerns, please feel free to contact us.

We value our relationship with your family and hope to see you soon at our Arlington Heights office!

Sincerely,

Dr. Alexis Bond  
Dr. Rhonda Stein  
Dr. Meghana Kunduru
